THE MONEY

Who owes who — done.

Every game's money is tracked live and rolled into one simple settle-up at the end. No spreadsheet, no "I think you owe me."

- ✓ Standings in dollars — what each man is up or down
- ✓ Head-to-head grid — exactly who's up on who
- ✓ One end-of-trip number that nets everybody out

Johnny Hotdog's down \$165 and still pressing. The app keeps the receipts — settle up like gentlemen.

Lock in handicaps by date

The Pete Dye Invitational only works if the strokes are fair. The organizer freezes every index as of a date you pick — posted, identical for everybody. No sandbagging week-of.

THIS WEEKEND

All four games, tracked automatically

Set up once by the organizer — then it just keeps score.

Best-ball vs. par — \$50/man

2-man teams, 2 days, winner-take-all.
Cumulative net-to-par across both rounds.

Match-play points board

The two teams in your foursome play each other — win 1, halve ½, tracked live.

2v2 best-ball in the foursome

Your group's house game, per hole, settled inside the foursome — kept separate from the pot.

The Action — side bets

Head-to-head & per-hole wagers on the side — auto-settled into the same end-of-trip number.

**No spreadsheets. No "who owes who." Just golf
(and a little light larceny).**

 SIDE ACTION • UNOFFICIAL

Long drive of the weekend

The one number the app won't track for you — the long drive is still measured the old-fashioned way: a marker in the fairway and an honest tape.
