7 · SIDE GAME, HIGHLIGHTS & QUICK RULES

🏆 **Side Game Winner: Josh Stoll (Most Skins — 4)**

After finalization the side-game winner banner shows above the table. During live play, the panel shows the week's side-game name and format.

- **Holes 1 & 3** are always skins. No wolf, no polie/sandie payout (but still tracked for stats).
- **Every other hole** rotates the wolf by batting order.
- **Greenies** pay only on par 3s where the wolfer hits green and makes par.
- **Polie** = any made putt longer than the flagstick. **Sandie** = 1 shot out of the bunker + 1 putt in.
